House Masters Message:

Dear Parents,

Greetings from SelaQui!!!

The month of November has been quiet roller coaster for all Akashians. Students were engaged in many learning and skill based events throughout the month such as: House Farewells on 10th November, Inter House Basketball Competition, American Field Service Conference North India Meet, Inter House Volleyball.

In the Later half of the month I could see all the Akashians working hard for their respective Cap-2 and Pre Board Examinations. It was very hearting to see all the Blue Eagles concentrating hard on their academics hope the all reach their expected score.

I would like to end wish an important message to all parents regarding dispersal and returning back to school rules. I Urge every parent to share transport and flight details in advance we provide transport facility from airport and would appreciate if all students avail that facility rather taking cabs on their own.

Blue Eagles Rises

Champions, Champions,
Ole, Ole, Ole !!!

THE EAGLES BASKET BALL TEAM FINISHED 1ST IN INTER HOUSE BASKET BALL COMPETITION. THE JUNIORS TEAM WERE UNDEFEATED IN THE COMPLETION WINNING ALL THE 3 MATCHES, WHILE THE SENIORS BOUNCED BACK IN STYLE THEY LOST THEIR 1ST MATCH BUT SHOWED IMMENSE GRIT AND DETERMINATION IN THE NEXT TWO MATCHES.

FAREWELL 2020

The Blue Eagles of 2020 have scripted their own history in annals of Akash House Folklore. The batch will always be remembered for their creative mind set, excellent sports personals be it indoor or outdoor sports, their enthusiasm and exuberance at play with the boarding house. I would personally say that the house will miss their warmth. Everyone of them have contributed immensely to the development.

AFS Conference

SelaQui hosted the first North India AFS conference on 16th and 17th November. We hosted around 17 schools across north India and all visiting students, faculty and Heads were very impressed with our hospitality, campus and the way conference was conceived and executed.

Guru Purab and Childrens Day celebrations

On 12th November students celebrated Guru Nanak Jayanti with a Langar served to the whole community the evening was marked by Lyceum talk where opinions were shared by students on a whole it was a nice and engaging evening for all.

The next pit stop was 14th November “The Childrens Day”. It is one of the most awaited events of the year, this year was quite exciting after a good cricket match students were enthralled by many cultural show put up by the teachers. It was a joyous evening for all followed by a Band performance. The students loved very bit of the day.

Last but not the least I would like to convey some important dates in month of December:
