Citius , Altius , Fortius

The "Blue Eagles" Squad at SelaQui is all about perseverance, ability, performance. It is all about living with one another as well as competing with oneself! There are many important ingredients in one's ability to excel, yet one of the most important and fundamental attributes needed to perform and succeed in life is "Belief".

NEWS

Newbies

Being a new student myself, it is certainly not easy to get adjusted to such a big place. Many of the new students must have come from places that are hundreds of kilometers away from selaqui international school. One of the major difficulties of adjusting to this new place is homesickness. Its nothing new and most students know that they will be homesick once they reach the place. But planning ahead is easy but it gets really hard when the problem actually hits you. Once you get adjusted to selaqui, it really is a great place to be. It has a good balance of sports and academics and helpful teachers who are only waiting for students to ask for help. In our Akash house many of new joinees are there who are getting themselves adjusted here. Some are adjusted but some are trying to adjust. I have seen all of the cheerful faces of the new joinees in Akash house. They are all getting adjusted quite well here. They are always ready to help us and we are always ready to help them if they need anything.

AFS Interchange Program

This started on 30th July. Our buses went for taking them from Dehradun Railway Station. After that when they arrived on the campus they liked the nature and beauty of the school. They are 7 in numbers from which 3 girls are of 12th and 4 girls are of 10th class. They all are from "All Saints College", Nainital. Two days which were weekends in they took full two days tour of school and on first day of school, they liked the education system of and the schedule of the day of SelaQui. At the end they easily integrated with all the peers in the Class and Dormarities.

Award Winners

Parth Kapoor

Wynberg Allen hosted a business quiz (Nagotium Agon) on 30th July, 2022 where 5 students participated from our school. Parth Kapoor was awarded Outstanding performance and was also awarded by headmaster in the assembly.

Sahil Tulsyan

Kasiga School hosted a competition of Art and Photography which was (kaleidoscope 2022) on 30th July, 2022 where 10 students participated from our school from which Sahil Tulsyan was awarded with the second position in photography among 14 consecutive schools and also awarded by headmaster in the assembly.

My Experience

Add a little bit of I Munjal RameshBhai Dodia , of Grade 11 Commerce joined SelaQui International School on 16th July,2022. As it was my First Boarding experience my Father came to drop me. That wasn't a normal usual day for me, It's difficult to live Independently and without family and friends, but days passed by, I am learning new things everyday ,taking new lessons , making new friends more like brothers. Here at SelaQui we learn about Manners and Respecting our elders. There are a lot of good things that I have been noticing. Some of them are the co-curricular activities, the different way of learning, the dorms, the cleanliness, the staff members and many more. This is just an review for about 3 weeks and I feel good to be here. The teachers here encourages us if we are not making up to the point. Some of the teachers which are the best through my perspective are Mr.Anand Saraswat (Economics), Mrs. Anupam Bawa (Accountancy and Business Studies), Mr.Mahesh Sen (Mathematics), and last but not the least Mr.Ashford Lyonette (English). Other than these main subjects SelaQui offers many other subjects too. Also the sports coaches are best on their sides. I suggest that a child must go to a Boarding School like SelaQui International School. Here we get the best placements all around the world.

Dear Parents,

This was the month of monsoon in which all the students rained like gold and diamond in the field of academics and sports.

The new students who joined in blue eagles squad adjusted themselves with other peers. Events are also going to take place. I am looking forward to have .a happier August ahead
