CBSE CLASS X RESULTS

Students of SelaQui International School created a new School record in the class 12th CBSE exams that were declared on Saturday. The batch of 2017-18 improved on the school record by 4%. Lipi koyu of humanities stream not only topped the school but also created a new school record by scoring 97%. The results of humanities stream aggregated an average of 89.2%. More than 85% of 61 students who appeared scored above 80% and 13 students scored above 90%. Lipi Koyu, the school topper credited the hard work of faculty, academic process and trust of her parents for her achievements. Speaking to the press, she expressed her desire to join the prestigious St. Stephen's College. Headmaster, Mr. Rashid Sharfuddin informed the press that the myth of boarding Schools not doing well in academics has been shattered. One has to only look around at academic achievements of boarding schools in Dehradun both in CBSE and ICSE boards. At SelaQui, we aim to create a spirit of academic excellence as well as of sports and co-curricular activities. Mr. Sharfuddin, credited the good results to a very committed and spirited faculty, focused students but also to rigorous academic process of the School. The School also sends a large number of students to IIT and Medical colleges every year due to a much focused Gurukul programme. The aim now is to raise the bar and work on good college placements in the coming days informs the Headmaster .

-HEADMASTER

Congratulations !
