## CAMPUS LIFE

# ACADEMICS

WE ARE A  
**CBSE**  
SCHOOL

**GURUKUL** **IIT JEE**

## Approach to Learning

### Learning through experience

Instead of teacher-led delivery of knowledge, teachers and students at SelaQui together construct knowledge so that no student feels left out. This is supported by field experience and carefully designed project work and integrated learning. This enables the learner to gain an unforgettable experience of fun, joy and enduring learning and also to put to test the acquired knowledge. Use of technology and research is at the heart of SelaQui education.

### Engage-endure-excel

Learning by creating an experience, rather than by rote, is engaging and enduring. We aim at promoting excellence rather than focusing on memorized material.

## Integrated 2 Year IIT/Medical Program

### Integrated 2 Year Residential Program - JEE (Main+Advanced)

SelaQui International School, offers Gurukul, a program for super-achievers. In this course, preparation for competitive exams for Engineering such as IIT-JEE/AIEEE etc. and formal school education/Board Exams is completely synchronized under one roof.

## Career Information and Guidance Department

The Career Information and Guidance Department provides assistance in the following areas:

- SAT and TOEFL as well as IELTS coaching classes.
- Supervision in CV writing, SOP, personal essay writing and interview training.
- Supports and administers University applications-making transcripts, recommendation letters, predicted grades and the School profile.
- Corresponds and follows-up with universities regarding student applications.
- Arranges talks by university representatives and other eminent experts.
- Internship in the corporate sector to sensitize students to the atmosphere, demands, skills and expectations of a work place.
- Organizing universities and college visits for students in India.

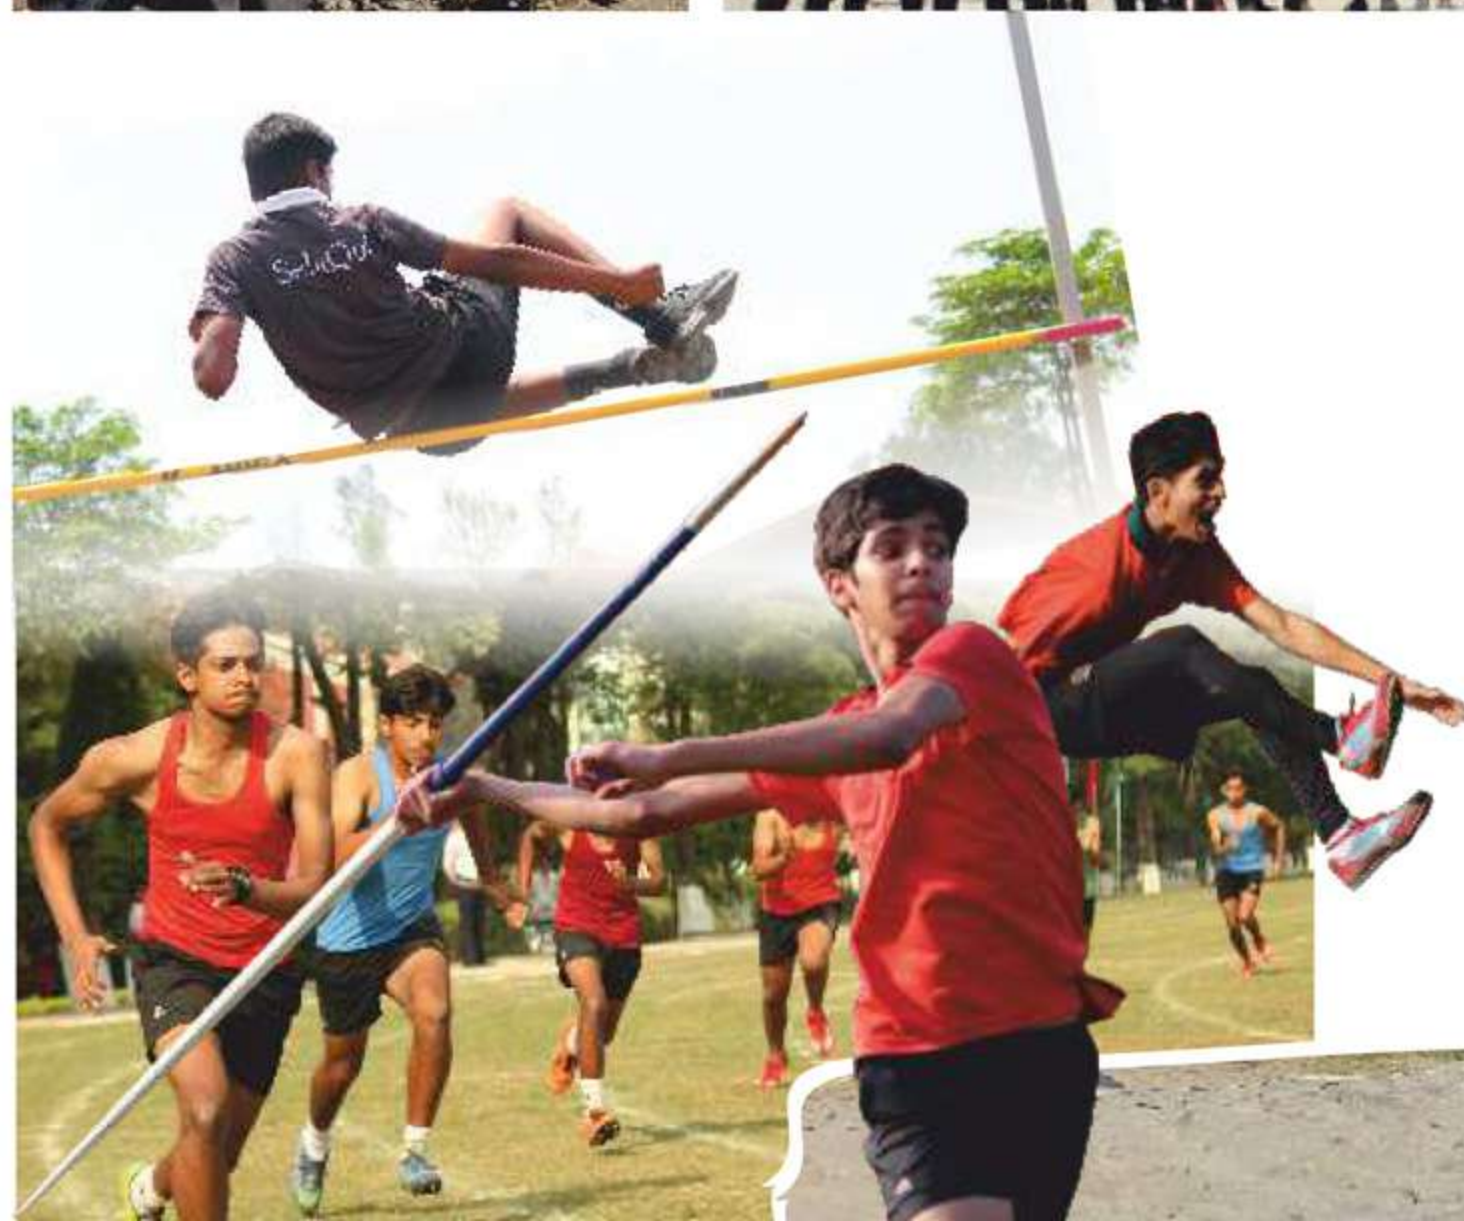

# BEYOND ACADEMICS

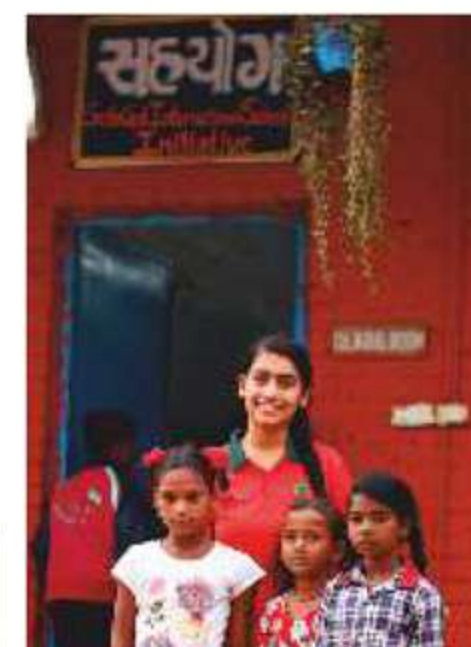

## Sports & Activities

Sports at SelaQui is not just an arena for competition. It plays a much larger role of developing team spirit, sportsmanship and exploring and augmenting each child's hidden talent as specialization in a particular sport is highly encouraged. Students at SelaQui aim at specialization in at least two sports before they graduate. Adventure sports like river rafting, trekking and mountaineering are also part of the sports curriculum with school sending regular expeditions to Everest Base Camp and Mount Kilimanjaro.

## Clubs & Society

There are more than two dozen clubs & societies in school catering to diverse need and hobbies of students. The school has a very strong Outreach Program working with local NGO's, government schools besides running a separate facility on campus for children of adjoining slums.

## IAYP

SelaQui International School has introduced IAYP as a part of its co-curricular activity program. The International Award for Young People is an exciting, self development programme for the youth and that equips them with life skills, builds confidence and engages them with their communities.

## Drama & Speech: Trinity College, London

SelaQui International School guides and prepares students for the Trinity College London Drama and Speech Examination. Trinity college offers and unrivaled choice of qualifications for students of drama and speech subjects, at all levels of experience and ability.
