SOCIAL STUDIES

Exploring history: My life timeline activity

- I Display 5-6 photos representing important life events out of order (chronological order).
- II Share the importance of each photo, writing each event on a separate index card with a short description of the event. .
- *Examples may include: birth, first bike ride, a birthday celebration, and a family trip. Be sure to include photos that would show a distinction between ages.
- Each photo should show a different time period of your life, and when put together it should tell a story.
- III. Mark and label the following places on the maps of world (Use separate maps for each sub topic):
- a. Three Fold Mountains
 - b. Eight important rivers
 - c. Five Plateaus
 - d. Three Deserts
- IV Mark and label the following places on the map of India with their dates (Use separate maps for each sub topic):
- a. Important Stone Age sites
 - b. Important sites of Indus valley civilization
 - c. Ten Mahajanapadas of Ancient India
